Summer 2021

“Don’t Just Stand There”

This month our employees came together to collect items for the Bethesda Mission. The items donated will help the Men’s Mission, Women’s Mission, Community Center, and the Medical and Dental Clinics. Bethesda Mission is Harrisburg’s rescue mission, providing shelter, food and counseling for hurting and homeless men, women and children. We are proud to support the work they do as they reach out, care for and change the lives of those in need in our local community.
