## Employee Spotlight

*Adam N. Crosier, Esq.*

**What do you like most about the firm?**

I enjoy being in a position to help people and fight for what our clients deserve

**What is your position?**

I am a Workers' Compensation Attorney here at Marzzacco Niven & Associates

**How long have you worked here?**

I have been with the firm raising a voice for our community for twelve and a half years

**Favorite sports team:**

Penn State Nittany Lions, closely followed by the Philadelphia Phillies and Eagles

#### **Random Facts:**

My father went through the workers' compensation system when he fell off the back of a dump truck and shattered his wrist in 2005. His grandfather died in a work accident in the 1940s when a beam fell and struck his head. I like to think work accidents skip a generation in my family, instead, I get to help families secure their compensation claims.

#### **People Would Be Surprised to Know:**

In 2008 I thru-hiked the Appalachian Trail from Georgia to Maine. It was 2,175 miles and took five and a half months.

#### **A little bit about my family:**

I have been happily married to my wife Tina for over ten years and we have three children, Henry, Charlie, and Lucy, ages 9, 7 and 4. They keep us busy!

#### **Hometown:**

I was born in Philadelphia but mostly grew up outside of Reading, PA.

#### **Prior Work:**

Before working for the law firm, I worked at the Workers' Compensation Appeal Board, which is part of the Department of Labor and Industry. Prior to becoming an attorney, some interesting jobs I've held were: working as a newspaper reporter, at a state historic site, and a tannery!
